

The Collegiate Trust
Exceptional Education for All

7th September 2018

Dear Parents and Carers

A new academic year

I hope everyone had a wonderful summer. It has been lovely to welcome children back this week and we have enjoyed a great start to the term. Staff have worked hard over the summer and the whole site was in excellent condition for the year of learning and growing ahead. Pupils will have noticed that the old BRANCH building has now been demolished which means we have more playground space.

You will know that our vision for Waterfield pupils is **Aiming High, Achieving Our Best**. This fits in well with our Trust's vision of **exceptional education for all**. To help us achieve this vision, the staff team has worked to produce **The 5 Cs**:

During this half term we shall focus on **COLLABORATION**.

Collaboration is fundamental to the success of Waterfield Primary. It is a key aspect of the learning process. We shall work collaboratively with the Trust and our local community for the benefit of our pupils. As one of six schools within *The Collegiate Trust*, we will be working in close collaboration with a range of excellent partners.

Another part of our vision has been to create a new school website. It will inform and share with the wider community our commitment to delivering exceptional

education for all our children.

As usual at the start of the academic year, we have several new colleagues who have joined us; attached to this letter is a full list of teachers for information. Each teacher will also write to parents next week to introduce themselves and to invite you in to discuss the year ahead and the ways in which you can support your child's learning and progress.

I am really pleased that during this year, Mr Moss, the Deputy Head, will oversee the work of EYFS and Years 1 and 2, and Ms Smith, my Assistant Head, the work of Years 3 to 6. Of course, your main point of contact will always be the class teacher.

Sadly, Mr Shaun Nicholls will not be joining us this year as arranged but we are very confident that we will appoint a teacher over the next few weeks. In the meantime Mrs Spriggs is committed to working with your children in year 4 in Glennie Class.

At the end of the summer term, we were delighted that our Year 6 pupils achieved our best Key Stage 2 results; their outcomes were above national and local averages and were a just reward for the hard work they put in. Our challenge this year is to continue this improvement and to make sure every pupil is achieving her / his best. I know that I can count on your support to make this happen.

As the school continues to grow we are looking to appoint some Mid-day Meals Support Assistants. If you are interested in applying please contact Miss Cowley in the office for an application form.

I look forward to working with you in the year ahead.

Yours sincerely

Miss Kaye Gilzene
Headteacher

Waterfield Primary School
